Oil Drilling Rig New 2 Industry Training Development Program

at [Patterson-UTI Drilling Company, LLC](#)

About the Program:

Patterson-UTI Drilling Company, LLC is seeking candidates with no prior drilling rig experience to apply for our New 2 Industry Training Development Program. This program is designed to train candidates on the core competencies needed to be successful in the oil and natural gas drilling industry. The training includes one week of in-class, online and facilitated instruction with an emphasis on familiarization with rig fundamentals. Following one week of in-class instruction, candidates will be sent to a training rig for structured on-the-job training. Following this OJT the candidates will graduate from the course and be hired full time and officially become one of Patterson-UTI Drilling Company employees.

Patterson-UTI Drilling Company provides multiple avenues for advancement once in this career field depending on availability and your desire to advance.

Starting your new career as a floor hand will allow you to become part of a culture that works safe 24/7 which is "Our Way of Life". If you feel like you are qualified and interested in becoming a part of this uniquely challenging opportunity feel free to apply.

Floorhand Responsibilities:

Safely and efficiently perform all manual labor tasks on the drilling floor and B.O.P. area under the direct supervision of the Driller or, in his/her absence, the Assistant Driller.

Operating of the tongs, slips and spinner hawk to connect and disconnect drilling pipe, tubular and drilling bits or tools as well as performing all maintenance of the equipment and physical space of the drilling floor.

Perform right up and down procedures, nipple up and down and care of the B.O.P. system, the monitoring and operation of the shakers and when called up to do so.

Assist the Derrickhand within the mud pit, mud pump and chemical sack rooms.

Responsible for the housekeeping activities on the drill floor including washing, chipping and painting.

When trained, the Floorhand will provide relief for the Derrickhand.

Requirements:

- Must be hard working and have a strong learning ability;
- Must be able to stand for 12 hour shift while performing physically demanding duties;
- Must be able to lift 50 lbs;
- Must be able to remain alert and awake for a 12 hour shift.
- Previous experience in operations, manufacturing, military, maintenance or construction is a plus;
- Basic math skills;
- Ability to work safely and proficiently;
- Military leadership experience highly desired
